

# Our FAVOURITE books

Lose yourself in one of our top reading picks

## *Voice of Sacred Love from the Divine Masculine* by Jessica May

This deck of 44 channeled messages is created by one of our lovely in-house gurus, Jessica May Psychic Medium. Her cards are personal and comforting, but also bring healing and a clear understanding of the twin flame journey. Coming in beautiful packaging with a red velvet pouch, she also encloses a Unakite heart crystal and a piece of Californian white sage to cleanse your cards and aura. £44.44, [etsy.com/MyChicFriend](https://etsy.com/MyChicFriend)

## *The Positive Power Box* by Sydella Gallick

This deck contains 80 images which are mini art prints drawn and painted by the author. These images are a product of the play therapy process where leftover paint is used and the energy creates a message. Each card is a story in its own way and Sydella really makes

them come alive with her gorgeous imagery. Use them daily or within your family bubble to have conversations around coping strategies and mental wellbeing. £20, [sydellagallick.com](https://sydellagallick.com)

## *Cheat Sheet to Heaven* by Rachel Tipton

Now is a time to look forward to the New Year after a difficult 2020. This life changing book is about how to let go of stress, anxiety and disappointment to achieve mindful living by changing the way you think. Rachel's breakthrough methods show you another way of looking at life that is different to what you have experienced in the past. It is a great read to kick off a peaceful 2021. £7.64, [amazon.co.uk](https://amazon.co.uk)

## *The Eagle and The Butterfly* by Maggie Shaw

The latest book to be added to Maggie Shaw's collection of thought-provoking and inspiring tales, *The Eagle and The Butterfly* is a must-read for those who love to charge their imagination. This novel follows a character who passes into a mythical world and transforms into the butterfly, Eregendal, who faces an ultimate sacrifice. It's sure to leave you captivated with its themes of desperation, loyalty and evolution, and will hook fans into a world of magical myth and legend! £9.99, [eregendal.com](https://eregendal.com)

## *Raven* By Tracey Shearer

The second book in the *Entwined* series, which follows seer Kate Banberry and her faulty visions that can prove deadly. A story of romance, psychic abilities and the sisterhood, this is guaranteed to be a read you are unable to put down. Become absorbed in this captivating story about defying the Universe to save those you love, and the unexpected costs. £12.45, [amazon.co.uk](https://amazon.co.uk)
